From the President's Desk

PRESIDENT, VINOD KUMAR'S MESSAGE

Namaskaar, Namaskaram, As Salaam Alaikum, Jai Ho Greetings from the President's Desk

I write this message in our first quarterly Newsletter after our Annual General Meeting on 7 August, 2011, with mixed emotion. While on one hand, it was pleasing to see the number of members who took time out to attend the AGM and take part in discussions on matters of importance and financial stability and progress of our Association; it was extremely disappointing that no one put their names forward to serve on the Executive Committee.

However, at the end of the day, with assistance from two past Presidents, Ashwin and Prabodh with assistance from the Chairman of the Board of Trustees, Mr Lal Singh, we managed to steer the ship to safety. I have pleasure in advising our members that the line-up of the new Executive includes a mixture of young and some not so young, as well as ladies, who are committed to achieving the aims of our Association as set out in our Annual Business Plan. We have identified key strategies and a time-frame in which these objectives are to be achieved. These include the formation of groups to identify and target in an effort to renew and get more members in the Association. Children's and Senior Citizen's functions, Kirtan and Qawali/Gazal nights have also been planned. Our Annual Dinner Night, Giritmit Family Fun Day and Giritmit Diwas celebrations have also been planned. A special effort will be made to bring the Senior Citizens together more often, and plan their activities so that they do not feel isolated and neglected. Mum and Dad will also be encouraged to involve their children in Social and Cultural activities during the year.

For a start, we have organised a Kirtan Sammelan. This was to have been held on October 29, but has been postponed. We shall keep you posted on the new date and look forward to your support. Other events, as mentioned above, will be organised during the year, and Newsletters and Community Messages on our website will be continuously up-dated to keep the members advised of up-coming events. Ladies and gentlemen, I hope you all had a wonderful Eid. and on behalf of my Executive Committee, I would like to wish each and every one of you A Happy Diwali. We hope you enjoyed your dancing (Dandiya) during Nav Ratri.

Vinod Kumar
President
